

If a proposal is still in the early formative stages and it is desired to gather creative suggestions from others on what purpose and direction such a proposal should have, one may wish to temporarily use the `{{Brainstorming}}` header template.

Usage

`{{Brainstorming}}`

Example

`{{Brainstorming}}`

produces

This idea is in the **brainstorming** stage. Feel free to add new ideas; improve, clarify and classify the ideas already here; and discuss the merits of these ideas on the [talk page](#)!
