[\[edit\]](#) [\[purge\]](#)  [Template documentation](#)

This documentation transcluded from [Template:Hidden infoboxes/doc](#) ([edit](#) | [history](#))

Usage

This template is a shortcut to format {{hidden}} for infoboxes on talk pages.

usage: {{hidden infoboxes|info=}} (add any templates and meta-information between the '=' and '}').

Example

```
{{Hidden infoboxes|Title|Text context}}
```

produces

Title

Text context
