[\[edit\]](#) [\[purge\]](#) [Template documentation](#)

This documentation transcluded from [Template:Side box/doc](#)([edit](#) | [history](#))

This template is a meta-template that can be used to create nicely-styled floating content boxes.

Usage

```
{{sidebox|<text>|<optional line 2>}}
```

Example

See also this link

```
{{sidebox|text=See also this link|imageright=[[File:Geographylogo.png]]}}
```

produces:
